

Weird 10 : 2010 Paranormal & UFO Conference, Warminster

PRESS RELEASE

Release Date: Immediate

Title

Paranormal & UFO Conference 2010 : Weird 10 – Wiltshire's Premier Conference Event Keeping Wiltshire Weird!

Detail

Weird 10 is proud to present twelve well known speakers, researchers, authors and TV celebrities in the UFO and Paranormal subject this August. The event will be held over two days at the atmospheric Athenaeum Victorian theatre in Warminster, Wiltshire. Nestling in the weirdest county in the UK, the town was once crowned the UFO capitol of the World

You can expect a fantastic weekend of talks and presentations all hosted by the well liked and respected Malcolm Robinson. Malcolm will introduce household names like Nick Pope and Dr. Ciaran O'Keeffe, as well as popular researchers such as Andy Russell, Dr. David Clarke, Andy Roberts and Wal Thornhill. With such a diverse guest list many different subjects and theories will be covered from the Supernatural in Warfare, plasma UFOs and Paranormal investigation to alternative theories of the cosmic standard model and the Rendlesham Forest Incident. There is something for everyone at the event regardless of your belief!

We also offer a daily coach service from Swindon which is ideally located with major rail and road links. With hotels at a premium in Warminster why not stay in Swindon and let us take you to and from the event?

Free copies of Paranormal Magazine will be on offer and large merchant stall areas will be stocked with all kinds of paranormal related items. The event will also launch two books by authors Andy Roberts and Brian Allan.

An open question and answer session on Saturday is followed by **Free** live music in the evening by 'The Programme Initiative,' an innovated band that mixes stunning visuals with their music and celebrates a post-disclosure world. The evening ends with a chance to join the legendary UFO Warminster sky watch held at Cradle Hill on the outskirts of the town.

Speakers: Kevin Goodman, Wal Thornhill, Nick Pope, David Clarke, Andy Roberts, Ciaran O'Keeffe, Andrew Collins, Brian Allan, ASSAP, Ross Hemsworth.

Special Guest: Philip Mantle, Editor of UFO Matrix magazine, sponsors of Weird 10.

You can also **save** over **10%** on the price of a weekend pass by purchasing your tickets now.
